Summer Harvest Staff Gladsmuir Grain Store (Lab and Operators)

Simpsons Malt is one of the UK's biggest malting companies with 150+ years of successful supply to brewers and distillers with a customer range from the smallest craft and microbrewers to multi-nationals in the UK and around the world, and we are now proudly B-Corp accredited.

Some exciting opportunities have arisen to join us for the harvest season, during the period from July to October.

We are looking to employ keen people to help us perform pre harvest preparation and assist with lab testing and intake during the harvest period. Basic job details are as follows:

Harvest Laboratory / Weighbridge vacancies:

- Weighing vehicles in and out of site.
- Visual examination of grain from viewing platform.
- Testing of grain using various pieces of laboratory equipment.
- Recording of results.
- Inputting results into computer spreadsheets and databases.
- Manual sampling of grain stored in sheds.
- Hours required are variable (typically 8.00am to 4.30pm Monday to Friday initially and moving to 7.00am to 6.00pm / 7.00pm Monday to Friday and possibly 7.00am to 2.00pm Saturday at the busiest times).

Harvest Intake Outside Operators:

- Shed cleaning and preparation.
- Operation of grain dryers, and monitoring of drying process.
- Movement of grain around site using shunters and wheeled loading shovels.
- Assisting in all general site maintenance tasks.
- Hours required are variable (typically 8.00am to 4.30pm Monday to Friday during harvest preparation / training but moving to 12 hour shifts at the busiest times. Night shift working may be required).
